ABOUT US

Only meat.
Only the best.

At meat & wine resturant, we don`t dilute the essence.

No salads without meat, no compromises in taste. We belive that meat is not just food. It`s a ritual.

Our chefs prepare premium steaks from aged meat, and with each dish we offer a perfectly matched wine from our world-class wine collection

ATMOSPHERE

For those who understand taste

At meat & wine you will feel not only the aroma of smoke and spices, but also the subtle atmosphere of wine aesthetics.

Our interior is a combination of restrained chic, natural wood, glass and fire.

This is a space for gourmets.
For those who value the moment.

MEAT IS OUR ESSENCE

No halftones.
Just meat.

Filet mignon
Ribeye
New York
Tomahawk
Lamb
Duck

We cook over an open fire, with an emphasis on aging and technique. The presentation is at the level of art.

What about meat? A real side dish only emphasizes the main thing

WINE

We don`t have "just wine."
We have a selection of elite wines from France, Italy and Spain, as well as selected items from private wineries.
